

NUTANA LAWN BOWLING CLUB

2023 SUMMER NEWSLETTER

Hello Nutana Members,

Our season has been fantastic so far, and I can't believe we are already two thirds completed. I am grateful to all of you for joining us on a journey full of positive experiences. The busy and fun lawn bowling season included our very popular **Wednesday Night Mixed Triples Rec League** which crowned a new champion. Also, at the start of our season we added two new events to our calendar. The **Monday Night Ladder** which caters to our competitive players who may want the extra game experience to fine tune their skills prior to provincial and national competitions. And for the month of June on the Mondays, in coordination with the **Prairie Lily Curling Club**, a trial 14 team event, the **Prairie Lily Lawn Bowling**, was successfully completed. The **Nutana Lawn Bowling Club** will continue to be a welcoming and inclusive organization as we continue to fulfil our accreditation with **Bowls Canada's Belonging in Bowls**. We have approximately eight weeks and many events still to come, so let's keep our spectacular season **Rolling**.

Joseph J Chan, President, Nutana LBC

Director - **Heather Howard**

Thankfully, every season an amazing group of dedicated individuals volunteer their time to make the **Nutana Lawn Bowling Club** one of the best managed nonprofit organizations in Canada. Volunteers are essential for organizations like ours to thrive and grow. Our club has various committees that individuals can assist with. They include committees like Archives, Bowls, Cards, Coaching, Draw, Greens, Housekeeping, Junior Program, Lockers, Maintenance, Marketing, Social, and the Executive. **Volunteer and make a difference.**
