
NUTANA LAWN BOWLING CLUB

2023 SPRING NEWSLETTER

Hello Lawn Bowlers,

As we survive one last blast of winter, I am optimistic that a brilliant spring is just around the corner. The 2023 lawn bowling season will see many of our annual events return, such as **Opening Day**, **Learn to Bowl Lessons**, **National Bowls Day**, and our very popular **Wednesday Night Mixed Triples Rec League**. As a non-profit organization, established in 1938, the backbone of our club is our community of volunteers. Volunteer and make a difference so we ensure our club's legacy for future generations. The **Nutana Lawn Bowling Club** is looking forward to seeing you all for a fun and entertaining summer. Let's get our season **Rolling**.

Joseph J Chan President, Nutana LBC

Respect In Sport

Sask Sport, along with the support of the **Government of Saskatchewan** has launched this required program for coaches in the province to help provide a safer and more respectful sporting environment for all to participate.

The online training program for coaches and activity leaders is provided **free of charge** for all users: <https://www.sasksport.ca/programs-education/respect-in-sport/>

The sport system believes strongly in this program and the values it promotes, therefore coaches who have not completed the course will be unable to volunteer in the capacity of coach until the certification is reached.

The **Respect in Sport** program was developed by **Respect Group Inc.**, along with the **Canadian Red Cross**, to help protect youth, inform leaders and diminish the liability of an organization.

Please contact the NLBC if you have any questions.

Every season an amazing group of dedicated individuals volunteer their time to make the Nutana Lawn Bowling Club one of the best managed nonprofit organizations in Canada. Volunteers are essential for organizations like ours to thrive and grow. Our club has various committees that individuals can assist with. They include committees like Archives, Bowls, Cards, Coaching, Draw, Greens, Housekeeping, Junior Program, Lockers, Maintenance, Marketing, Social, and the Executive. **Volunteer and make a difference.**
